

Dear David,

I've just reviewed what we had done so far in Vietnam since 2020. It's been a nice journey so far. Here's some numbers for your reference:

- Around 70–100 Vietnamese people have tried TWIM through online/offline retreats and workshops. But I think only around 10 persons practice TWIM regularly
- 1 private Facebook group with 55 people <https://www.facebook.com/groups/1590522471131666>.
- 17 10-days-online retreats;
- 4 3-days-offline retreats
- 1 10-days offline retreat with 7 participants. 2 students seemed experiencing cessation
- 2 manuals (TWIM & forgiveness) & 3 books translated to Vietnamese (Moving Dhamma 1, Moving Dhamma 2, Path to Nibbana). The book "Path to Nibbana " also got freely distributed for around 450 copies.
- Weekly online group sitting & sutta reading on Sunday. It has been organized since early 2021 till now.

I wish the upcoming TWIM conference will be successful!

Sincerely, Trung Cong
